### Domino & Layer

PRODUCT SPECIFICATION SHEET			
Face Construction	Metric	Imperial	Procedure
Construction	Patterned Loop		
Fiber System	100% Nylon		
Dye Method	Solution Dye		
Gauge	50.4 rows/10cm	1/13	
Stitches per inch	31 stitches/10cm	7.9 stitches/inch	ASTM D-418
Pile Height Average	3.8mm	0.150 inch	ASTM D-418
Density Factor	177.6 kg/m³	4.800 oz/yd³	ASTM D-418
Product Testing Information			
Indoor Air Quality	All Tandus Flooring products comply with CRI Green Label Plus Standards ID: #GLP5288		
Surface Flammability	Passes GB 18987-2001		
Flooring Radiant Panel	Passes CPSC FF-1-70		
Electrostatic Propensity	Class I (Mean average CRF: 0.45 watts/cm² or higher)		
Colourfastness to Light	≥ 4 after 100 hours		
Backing System			
Standard Backing	Tandus ECOBOND™ PVC Backing		
Backing Customization Option	Tandus ECOBOND™ PVC Backing / EcoBase Backing (non-PVC)		
Recycled Content	Tandus ECOBOND™ contains a minimum of 35% overall recycled content		
Recycling	Recycling 100% recyclable when recovered		
Standard Product Size	250mm x 1000mm / 500mm x 500mm		
Packaging	For Tiles 500x500mm, 1 box (46kg) includes 16 tiles of each pattern (for accent pattern, all tiles come with accent)		
	For Planks 250x1000 mm, 1 box (46kg) includes 16 planks of each pattern (for accent pattern, 8 planks come with accent and 8 planks come without accent, as one set includes 1 plank with accent and 1 plank without accent)		
Product Notes			
1. Product specifications are derived from averages resulting from normal manufacturing tolerances in yarn, fiber, temperature, humidity and colour. Product specifications may vary within normal industry and standardised testing tolerances.			
2. These specifications reflect mean averages based upon tests of production runs of this carpet style by independent laboratories. A range of variances is implicit in the testing process. Furthermore, the standard test methods established to derive the specifications lack a degree of precision and repeatability; therefore, individual test results on the actual carpet purchased may differ from the specifications above.			
3. Colours may vary slightly from dye lot to dye lot.			
4. Backing or other materials may be changed without prior notice when shortages occur or when technological advancements become available which provide for improvement of the product's performance.			
5. All Tandus Flooring products are 100% recyclable.

The Energy of Modern Art

Tarkett

Design creative and modern interiors with Domino & Layer collections!

Domino and Layer collections have been designed to work seamlessly together mix and matching the three patterns. Select the light pattern for a bright space, the accent pattern to integrate wider patches of color and the darker pattern to create contrast and add depth. The three patterns can be used in a variety of ways to create a unique and modern interior.

The color palette is comprised of six neutral color groups shared among the two collections to enable better transitions among the patterns, which are ideal for large open spaces.
